Date: December 8, 2014

Subject: Stormwater Department - Deere 310SK Loader Backhoe

Staff is requesting approval to purchase a John Deere 310SK, Loader Backhoe, to be used by the Stormwater Department. It was brought to our attention that there is a state contract with Nortrax, Inc. that enables local governmental agencies to order equipment at a reduced rate. Many other cities in this county have ordered equipment using this contract.

Staff recommends that the Council authorize the City Manager to purchase one John Deere 310SK Loader Backhoe with the Florida Sheriff's Association Contract #12014-15 Contract for Vehicles and Equipment Contract #14-12-0904, copy attached, in the amount of \$77,293.00. The Stormwater Department has sufficient funds budgeted in the current year for this purchase.
