Topic: City Council Consent Agenda Item - Vehicle purchase

I would like to respectfully request the following item be placed on the consent agenda for the upcoming City Council meeting on Thursday, January 8, 2015, for their consideration:

I would like the approval of the City Council to purchase one (1) 2015 Police Dodge Charger for investigations. If you recall, back in October we advertised bids for eight (8) vehicles and received two replies. We have already purchased seven (7) of the vehicles from Bay Dodge and now I am requesting we purchase the last vehicle from Bay Dodge. The total amount for the vehicle is \$24,879.50. The reason we purchased the first seven in October was because they were not going to start production on the Dodge Chargers until January, 2015, so we went with 2014 Chargers so they would be on line prior to Spring Break. I have attached the supporting documentation for your review.

Thank you for your time and consideration in this request.

Respectfully,

Drew R. Whitman
Chief of Police

Topic: City Council Consent Agenda Item - Vehicle purchase

I would like to respectfully request the following item be placed on the consent agenda for the upcoming City Council meeting on Thursday, October 23, for their consideration:

I would like the approval of the City Council to purchase eight (8) 2015 Police Dodge Chargers, seven (7) for patrol, and one (1) for investigations. We advertised for bids for the vehicles and received two bids, please see attached documentation. I would recommend we approve the bid from Bay Dodge, they are a local company and came in \$75 lower than Garber Dodge. The total amount for all eight (8) vehicles will be \$193,863.00. Three of these vehicles will be paid out of the Police Impact Fees.

Thank you for your time and consideration in this request.

RE: New Cars

We have received two bids for the 8 new Dodge Chargers. The two dealerships were Bay Dodge (Panama City) and Garber Dodge (Green Cove Springs, Fl.). Each were very competitive with pricing and the following is what each dealership has bid;

(8) Dodge Chargers (7 Patrol and 1 Admin)

Bay Dodge **\$193,863.00**

Garber Dodge **\$193,938.00**

As you can see the prices are very similar. However, Bay Dodge is a little cheaper and are located locally. I would recommend we use Bay Dodge due to the fact they are the lowest quote we received and are located locally.

Dear Wayne,

When I do the math on this, \$24,140.50 x7 comes out to \$168,983.50, and then adding the admin unit at \$24,879.50, the grand total comes out to \$193,863.00. I figured out the mistake, I was using "\$24,150.50" instead of "\$24,140.50", which explains the discrepancy in the total. So, yes, \$193,863.00 is the correct total figure. Again, I apologize for the confusion, I think we are on the same page now.

Tom the price quoted from the original is \$24,140.50 for the patrol package. It should calculate to \$168,983.50. Is this the correct quote? Please confirm.

Dear Wayne,

In reference to our conversation of 10/15/14, you were correct, and there was a mathematical error on my part. Thank you for pointing that out to me.

The corrected numbers stand as follows: Patrol units, $\$24,150.50 \times 7 = \$169,053.50$, + Admin Unit, $\$24,879.50$, = $\$193,933.00$.

I look forward to hearing back from you once you present this to the council, and getting these vehicles ordered for you. Thank you again.

Dear Wayne,

Per your request, the adjusted figure for the patrol units will be $\$24,140.50 \times 7 = \$175,983.50$, plus the admin unit @ $\$24,879.50$, for a total of $\$200,963.00$.
