Topic: City Council Agenda Item- Law Enforcement Trust Fund Board

I would like to respectfully request the following item be placed on the agenda for the upcoming City Council meeting on Thursday, October 13, 2016, for consideration by City Council sitting as the Law Enforcement Trust Fund Board.

1) The purchase of two solar powered variable message boards. This would replace the large message sign that was totaled after a vehicle crashed into it. Their insurance company issued the Law Enforcement Trust Fund a check in the amount of \$20,465 for its replacement.

These items were solicited and advertised on the City's Website on April 25th, 2016. They were set for a public opening date of May 9th, 2016; there were four sealed bids submitted. The lowest bid was submitted by K&K Systems for a total price of \$19,990.00 for two solar powered variable message boards. The current balance of the Law Enforcement Trust Fund is \$33,634.

Thank you for your time and consideration in this request.

Respectfully,
