UNDERGROUND POWER AFFIDAVIT

**STATE OF FLORIDA
COUNTY OF BAY**

Panama City Beach Ordinance requires overhead electrical services be placed underground running from a public right-of-way and in and along or across any scenic corridor to any structure, building or accessory thereto, shall be placed underground for the entire length of such feed.

I, _____, the Electrical Contractor and
_____, the Owner or property located

At _____, agree and accept all responsibility to have Emergency Service Repair made and energized for a period not to exceed sixty (60) days in accordance with Appendix A, Section 38.1.

After such time, service will be disconnected through Gulf Power for non-compliance. All costs for disconnection, permitting, re-inspection and connection will be the responsibility of the Owner.
