FLORIDA PRODUCT APPROVAL

AFFIDAVIT

In complying with the 2014, 5th edition of the Florida Building Code, I _____ as the contractor/builder, attest the structure to be built or renovated at _____ the established standards for performance of products and materials set forth by the product approval guidelines as required by Florida Statute 553.842 and the Florida Administrative Code 9B-72.

Information and approval numbers of the building components will be available at the time of inspection of these products to the inspector on the jobsite: 1) copy of the product approval 2) the performance characteristics which the product was tested and certified to comply with and 3) copy of the applicable manufacturer's installation requirements. Further I understand these products may have to be removed if approval cannot be demonstrated during inspection.
